New City Hall Site Proposed

A proposed site for a new civic center and City Hall today has been unanimously agreed upon by the Albany Planning Commission and will be presented to the City Council next Monday night for further action.

The commission, which has been making a survey of the city since last June, has selected property at the corner of Solano and Evelyn Aves., opposite the Albany Times building, it was announced by Chairman George Hoyt following a special meeting with the council Wednesday evening.

The two present owners of the 125 by 130-foot site are asking a total of $33,500.

Councilman Jerome Blank, local realtor, said that the property was almost in the exact geographical center of the city, and that it was the only site found that would not require tearing down existing structures.

Blank added that the price was not at all out of line and stressed that a lot that size with homes on it would cost as muh as $56,000.

Police to Crackdown On Parking

A crackdown on parking violators in limited zones was certain today following action of the Albany City Council Monday night.

The Council approved a resolution authorizing Police Chief Stanley C. Williams to add an extra man to his force—with the stipulation that the Police Department's three-wheel motorcycle be manned five or six days a week in patroling limited parking zones.

Action was approved on a motion of Councilman William Donahue at the request of Chief Williams. The addition of another man was also recommended in the recent survey of the department.

Mayor Lewis Howell pointed out to the Council that the salary of the additional man could be paid in whole out of the revenue from citations written by the man on the motorcycle.

"Fine monies are an important part of the city's income," Councilman Jerome Blank added.

The officer will start November 1 with a beginning salary of $350.

Mrs. May Olson, who is in charge of the sale this year is very enthusiastic about the quality of merchandise for sale, which includes baby buggies, furniture, mattresses, heaters, dishes, and good clothing and shoes.

Fireman Freddy Says

Existing electric circuits, particularly in old houses, may be inadequate to satisfy the demands of the large number of electrical appliances found in most homes today. It is safer and more convenient to have new circuits installed than extend old ones with temporary wiring.

Key Restores Saturday Service on 'G' Bus -- After Mrs. Zahn Files Complaint

Saturday service on Key System's G transbay bus line which operates on Solano Ave. will be resumed this weekend, the company announced Tuesday four hours after Councilwoman Mrs. Kathie Zahn filed a formal complaint with the State Public Utilities Commission.

The transit company announced last weekend the curtailments of 13 shuttle service routes and the G and H lines. It declared the cuts in weekend operations were due largely to manpower problems faced after the long strike which ended last week.

Mrs. Zahn, who filed the complaint as a "housewife," said that prior to the Key strike Saturday schedules on the G-line called for 19 runs from Albany to San Francisco and 19 runs from San Francisco to Albany.

She declared that Key "has discontinued operation on Saturdays of said G bus line in Albany without first requesting permission of the City of Albany to do so, as required under Section 9 of the franchise agreement between the city . . . and Key System."

"Key," she held, "is presently using the confusion of the after-strike situation by pretending that an emergency exists and cutting service left and right, something they would not be able to get away with under ordinary circumstances."

She expressed the belief that "in rendering public service, Key System should not expect to make every single line run profitably."

Mrs. Zahn's petition asks that the PUC order Key "to withdraw the present change of service on the G line" and that it require the company to "file a formal application requesting the prior authority of the commission before making such a change. . . ."

A company spokesman estimated Monday that bus service is about 95 per cent of pre-strike level, adding that rail service was completely restored.

United Crusade Volunteers to Canvass Door-to-Door Oct. 19-26

Albany's United Crusade residential campaign is in good hands —feminine hands.

As in her sister communities of Berkeley and Kensington, volunteer Crusade leaders already are on the job preparing for a week-long residential appeal designed to reach all potential Crusade subscribers who do not participate in the business and industry "give-where-you-work" phase of the campaign.

Official dates of the residential solicitations in Albany and throughout the East Bay are October 19 to 26. Volunteer door-to-door solicitors will go into the field two weeks following the official campaign "kick-off" on October 6. This time span is designed to give all people who are employed an opportunity to give at their places of employment and to place their Crusade torch stickers in their windows.

Mrs. Harry C. Weaver and Mrs. Eugene M. Blank, co-chairmen of Albany's United Crusade Residential Department point out that homes displaying the Crusade torch will not be solicited in the residential appeal.

Albany's residential solicitors, with their counterparts in communities throughout the Bay Area, will be helping to raise a $10,243,680 Bay Area United Crusades goal. The East Bay's share of this goal is $3,242,498 to be raised in Alameda County and Central Contra Costa County.

Mrs. Weaver and Mrs. Blank think of their Albany campaign organization as a vital part of a huge effort to meet the health welfare needs of families and individuals throughout the Bay Area.

The Crusade co-chairmen currently are recruiting a team of 190 volunteer solicitors to make sure that Albany is a strong link in the appeal which will raise funds for 90 per cent of the charitable organizations operating programs in this area.

Working closely with them are these Albany women: Mrs. Grafton Geering, Mrs. George Nesbitt, Mrs. Milton Porter, Mrs. Stanley Schaugaard, division chairmen; Mrs. A. A. Radder, Mrs. Peter Ritter, Mrs. Arthur Caldwell, Mrs. Lee Seidell, Mrs. Richard Porterfield, Mrs L. Masureo, Mrs. Mabel Kendall, Mrs. Clarence Quick, Mrs. Craig Converse, Mrs. Milton H. Taylor, Mrs. Lawrence Rossi, Mrs. William W. McGimpsey, Mrs. Paul Nathan, Mrs. Will Betten, Mrs. Samuel Kirby, Mrs. Fred Woodward, Mrs. Charles Byars, Mrs. William Pratt, Mrs. William Ochoa, section chairmen.

Eagles to Hold Initiation Fete

Albany Eagles today are making plans for a big initiation of new members to be held Monday, 8:15 p.m. at the Maccabee Hall.

Following the regular business meeting and initiatory ceremonies, the entertainment committee will present a program of motion pictures to be followed by a chili feed.

A large crowd of local members are expected in addition to visiting Eagles from San Pablo, Richmond, El Cerrito and Berkeley.

Catholic Women Set Halloween Hoedown

A Halloween Hoedown sponsored jointly by the Blessed Virgin Mary Sodality and the Holy Name Society at St. Ambrose Church will be held Saturday, October 21, from 8 p.m. to 12 in the parish hall, Cornell Ave. and Gilman St.

Entertainment will include a variety show, featuring Frankie Burke's specialty numbers, Florence Miller, accordion soloist; Millie Pedro, the "toast of the coast" with her unique style of song and dance, and others. Verne Martelle of the sensational evening gowns will be "mistress" of ceremonies.

For those who like dancing there will be Jerry Fee's five-piece orchestra.

Proceeds from the $1 donation will be used for the new church fund.

BENEFIT WHIST—The Albany Mother's Club is sponsoring a benefit dessert whist at 12:30 p.m. Tuesday at the Albany YMCA, 921 Kains Ave. Proceeds from the monthly events go for charitable activities of the club, including "Y" memberships for boys and girls and maintaining the YMCA building. The public is invited.

SOROPTIMIST

President Miriam Gilsenan of the Albany Soroptimist Club and eight past presidents were honored at a Founder's Day luncheon Wednesday attended by more than 50 members and guests.

Charter president Grace Higgins was chairman and presented the guest speaker, Violet Richardson Ward, first president of the initial Soroptimist club organized in Oakland in October, 1921.

Grace Lutheran

"The Reward of the Humble" will be the sermon topic of the Rev. Ortwin R. Janke, pastor, at the 11 a.m. worship next Sunday at Grace Lutheran Church.

CATHOLIC LADIES — Mrs. James Gintry will head the committee in charge of the Blessed Virgin Mary Sodality's regular luncheon card party to be held in the St. Ambrose parish hall Tuesday at 12 noon. Assisting are the Mesdames Michael Boyle, William Ebli, George Fischer, Richard Lynch, Betty Maxfield, Angelo Tofanelli and Carlos Valencia.

TV NEWS

By JIM BLANCHARD

As we mentioned two weeks ago, former President Harry S. Truman made his commercial TV debut recently on the Ford Foundation's "EXCURSION" program. The ex-first citizen of the nation was paid at the rate of nearly $1,000 per minute and for ten minutes sought to inspire the youth of the nation and to impress on them the fact that each one could one day be President. A relaxed delivery and warm, sincere personality were projected on the TV screen and certainly no better protagonist could have been chosen to expound on the opportunities in our Democracy.

It's an axiom in the show business that Jungle pictures are sure-fire box-office. This rule is being proved in video circles with an all-family show, "Ramar of the Jungle," starring Jon Hall. All over the country this filmed program is capturing top ratings.

Educational TV received added support last week in the person of Senator John Bricker who stated he is "a champion of the cause . . ." He added that he was confident Congress will not shirk its responsibilities for developing a "permanent" educational TV policy. You'll find the manufacturer of the Philco TV set has not shirked responsibility for making it the finest set available. Why not come in and see for yourself? Just take a fork to a piece of meat that's broiled in a new gas range—and taste! Crisp, char-flavor on the outside—tender and juicy inside. And a new gas range makes broiling so *easy* . . . quick, clean, smoke-free—just one pan to wash. You can broil your whole meal—even barbecue! With gas so cheap in California, you can use your broiler as much as you wish—with no strain on the budget. Why not take a look at the new gas range . . . at your appliance dealer's today!

Gas is cheap in California!

Why it pays you to do business with your local insurance agent or broker.

Insurance protection in today's social and economic whirling world, is a complicated factor.

It can protect you from disaster . . . if properly handled . . . or lead you to it, if mishandled.

Dealing with a qualified, licensed insurance Agent or Broker is your first step in guaranteeing the correct handling of your insurance.

First of all, your Agent or Broker is *local*, which means that he is available at all times; he is at your *service*. And there is no "consultation" charge for his availability and advise.

Next, your Agent or Broker knows which Insurance Companies are best equipped to properly protect you and service your account. He knows which Companies have the contracts that will meet your special requirements.

And then, too, your Agent or Broker is an independent businessman. He is spurred on by the competitive requirements of the free enterprise system, to which he owes his very economic being . . . he must do a good job for you if he is to keep your business.

Those are a few of the reasons why you should do business with your Local Agent or Broker.

Cornell PTA to Launch Drive For New Members

"Destination Moon" is the theme chosen for the Cornell School P. T. A. membership drive opening October 12 and continuing through October 23.

Mrs. Lawrence Cassell, president, urges all parents of Cornell children to join her group, reminding them that this unit fosters home-school relationship, making real partners of teachers and parents and enables our teachers, principal and school authorities to keep parents informed of the objectives, curriculum and achievements of their school.

Separate contests are being planned for the East and West buildings of the school during the drive by Mrs. Michael Silvester, membership chairman and her committee. A cash award will be presented the class in each building attaining the highest percentage of P.T.A. membership. Kindergarten classes will compete in the West building rivalry.

Mrs. John Kollenbaum, art chairman, and her assistant Mrs. Mervin Weiner are preparing interesting posters depicting space ships striving to attain the moon, the moon representing 100 per cent membership. These posters will be on display at the school where children may watch the progress of the contest.

Chief Says 'Thanks' For Successful Fire Prevention Program

Albany Fire Chief Fred Pimental in reviewing Fire Prevention Week today expressed his thanks to the organizations of the community for their fine cooperation in making this year's observance a huge success.

"I extend my sincere thanks to all citizens of Albany," the chief said, "for their interest in our efforts of promoting the message of fire prevention and to the Chamber of Commerce, the Junior Chamber, Albany schools and the Albany Association of Insurance Agents for their fine support. It is with such appreciation of the dangers of fire that we may look to the future with confidence that the toll of death and damage by fire will be eliminated entirely."

Pimental added "we should not stop here but be alert everyday throughout the year to the fire menace creating death and destruction in our nation and which threatens our very national economy."

This is a True Case History

I SAVED $116.86 ON THE CAR I BOUGHT

"I made over a 50% down payment on a late-model car. I was told it would cost me $257.50 to insure the car and finance the balance of $700.00. Lucky for me I'd talked to a State Farm agent first, because I used the Bank Plan instead and paid an insurance and financing charge of only $140.74. I saved $116.86." (*One of many actual cases.*)

Many People Assume Finance Rates Are Standard
THEY ARE NOT!
The Bank Plan offers you two proven money-saving methods. *Low-cost* financing through a nearby bank and *low-cost preferred-risk* insurance rates. Get your own figures on the cost of the car you want and COMPARE them with Bank Plan costs FIRST! Call or see your State Farm agent BEFORE you buy.
